

Spring Plant Sale

(Biology Department Greenhouse)

Choose from a wide range of perennials, natives, annuals, herbs, tomatoes, and house plants all grown by student volunteers and staff. We're a small grower, with limited numbers of any specific kind of plant, so it's worth coming as early as you can.

When: May 14th, 15th, 16th (Tues 6:30-5, Wed 6:30-4pm, Thurs 7-noon)
(Thursday morning discount day for all leftover plants)

Student and Community Volunteers needed – get free plants - inquire at email below

Where: ASU Biology Greenhouse - 211 Dale Street (next to State Farm parking lot)

Who to contact: meyerja@appstate.edu , phone 262-4025

Cash and checks only, please
